BANK PRESIDENT SLAIN BY FIVE-YEAR-OLD BOY

(By Latest Mail)
LOISE, Idaho.—L. A. Martin, president of the Kuna savings bank, was killed by the five-year-old son of Joseph Powell, five miles west of Kuna. Martin was at the Powell home on business matters and while writing the child took a revolver from his father's coat, pointing it at Martin and fired. The bullet penetrated the brain, causing death a few hours later. The father tried to intervene, but was too late, and as Martin sank to the floor cried: "The child did not mean it." The dying man smiled and drifted into unconsciousness.

GUARD ACCUSED OF ASSAULTING PICTURE BRIDE

On complaint of Publisher Fred Makino and Editor Yoshimichi of the Hawaii Hochi, U. S. District Attorney Jeff McCann arose from his sick-bed yesterday afternoon and went to the federal immigration station, where, after an investigation he issued a warrant for the arrest of Stephen N. Lukua, a big Hawaiian who has been serving as watchman at the station for the last five years. Lukua is accused of assaulting Kikuyu Taguchi, a Japanese picture bride who is detained at the station as a trachoma suspect.

Lukua resigned from his position following his arrest. His bond was fixed at \$1500 and a number of influential Hawaiians who have come to his aid are endeavoring to find bondsmen for him today.

"I found sufficient facts to warrant the charge and to authorize his arrest," said McCann today.

Lukua's friends, among whom is John H. Wise, clerk of the senate in the last legislature, declare the charges are the result of a plot among the Japanese to drive the Hawaiians out of the immigration service.

"Lukua has been very careful in the performance of his duties," declared Wise, "and has always refused the inmates of the immigration station privileges they were constantly asking. He may be rather rough at times with some of them, but we can not believe that he committed any criminal assault such as the one charged."

Prior to the action of the district attorney, the immigration officials had taken drastic steps to see that the Hawaiian was dropped from the service. Immediately after the report of the attempted assault was made to a nurse or matron in the morning and transmitted to Inspector-in-Charge Halsey, the inspector and Inspector Harry Brown took measures to drop the watchman. A resignation was written out, and when the man appeared later in the day Brown told him what he had learned, whereupon the Hawaiian handed in his resignation, says Brown. At any rate, he has made no protest and the officials were convinced of his guilt. After his resignation had been secured, he disappeared and it was not known until later in the afternoon that Makino had taken the case to the district attorney's office.

The federal officials of the station said last evening that the woman had not been injured in any way and that the Hawaiian had such a good record that they believed dismissal would be sufficient punishment for him.

PERSONALITIES

S. W. CROOK, a former resident of Maui, returned from a prolonged stay on the mainland as a passenger in the Watson Navigation steamer Lurline today.

JOHANNES F. ECKARDT, superintendent of the Queen's hospital, who was operated upon at the hospital several days ago, was reported this morning as resting easily and having every opportunity for a speedy recovery.

JOHN ELLIS, a noted Hawaiian singer, who until seven years ago was identified with one of the well-known glee clubs in this city, returned to Honolulu in the steamer Lurline today, accompanied by Mrs. Ellis and a daughter. Mr. Ellis has been a resident on the east coast of the United States for some years but was compelled to seek a milder climate owing to continued ill health. A large delegation of friends gathered at the wharf to greet him today.

The Honolulu Choral Society will meet at 7:45 this evening for practice with the orchestra. All members are urged to attend.

The sentence of sentence on Clara Kaul, who recently pleaded guilty to selling liquor without a license, has been continued until February 21.

Among the governor's callers today were A. V. Gear, John A. Hughes, J. A. Baker and Joe Robert, Louis Hollister, C. D. Pringle, M. J. Sedley and John Searle.

The board of trustees of the Honolulu chamber of commerce will meet in the rooms of the chamber, Stangen-wald building, tomorrow afternoon at 4 o'clock.

Prof. William A. Bryan of the College of Hawaii has received news of the death of his father at Whittier, Cal. The deceased leaves a widow and five sons, all of whom are married. Mr. Bryan was 80 years old; his health has been declining for months. Twelve years ago he visited his son here.

The Henry Waterhouse Trust Company, guardian of Mary Ann and Alexander Kanakapu Wharton, filed a inventory of the property belonging to the minors in circuit court this morning. The estate consists of interest in four pieces of land at Wailua, Oahu, and a lease at the same place, together with cash on deposit in a local savings bank of \$2041.89.

On the presentation of a certificate from Dr. R. W. Benz, stating he had ordered Mrs. Alvira C. Field to remain in bed the next 48 hours the case against her in federal court was continued by Judge Clemons this morning until next Thursday at 10 o'clock. Dr. Benz states that in his opinion she may be able to attend court by that time.

The divorce case of Mrs. Beryl Spiegel-Greytoulch, better known in Honolulu as Miss Beryl Hunter-Jones, was set for hearing in Circuit Judge Whitney's court this morning, but the discovery was made that service of the papers had never been made on Edward R. Spiegel-Greytoulch, the respondent, who is supposed to be living at Los Angeles. This means a further indefinite postponement of the hearing.

A perambulating prison is the latest addition to the police equipment for the city and county of Honolulu, a box car belonging to the Oahu Railway & Land Company being employed for the detention of two arrested men, placed under arrest by Special Officer Gray in charge of Wahiawa district. Privates Gray and Morris were placed under arrest by the police officer, upon a charge of maintaining a blind pig, and the officer made the discovery that the city failed to provide a lock-up in his bailiwick. Gray and his charges remained for the night as occupants of a freight car, the party journeying to this city this morning in a police machine.

Cornell University now offers a course in horseshoeing, with no tuition fees for Empire state blacksmiths. "In addition to the setting of shoes," explains Director Moore, "it is important that these men should be familiar with the anatomy and physiology of the horse's foot and danger of certain infections, as, for example, lockjaw. One hour each day will be given to lectures, the rest to practical work."

NATIONS TO JOIN IN CANAL PARADE

State Department Gets Acceptances from Big Powers for Navy Show

(By Latest Mail)
WASHINGTON—Five of the nations invited to take part in the great naval procession which will start at Hampton roads and cruise by way of the Panama canal to the Golden Gate next year have formally notified the state department of their acceptance. They are the Argentine Republic, France, Germany, Great Britain and Portugal. Japan also has decided to participate, according to the press reports, and it is not doubted that when the time comes all of the maritime nations of the world will be represented in the line.

The plans of the navy department call for the appearance in line of about 100 war ships, sixty-eight of them under foreign flags. The powers having great navies are invited to send each four ships, and those with lesser naval establishments to contribute two each.

The date for the assembling of this international fleet has not been fixed, but under the terms of the act of congress it must be early in 1915, and as the voyage from Hampton roads to San Francisco will consume at least one month, the start must be made by the middle of January if the fleet is to reach San Francisco in time for the opening of the Panama-Pacific Exposition February 20th.

Curtailling of the free distribution of publications of the department of commerce is recommended by Secretary Redfield.
